Enhance technical expertise and operational efficiency through specialized training programs.

2 Prevention of Sexual Harassment

Create a safe and respectful workplace environment through comprehensive training.

4 Leadership Development

Equip your leaders with the skills and knowledge to inspire and guide their teams.

Team Outbound Workshops

Corporate Wellness Programs - Back2Roots

- ▶ **Health and wellness meetings** are a leading industry trend that is leaving attendees feeling less stressed, better rested, and more fully considered. We incorporate wellness more deeply into our events shows an authentic concern for attendees and their experience. Weaving in ways to boost physical and mental wellness speaks to the thoughtfulness of your planning efforts.
- ▶ It shows you're thinking about employees' wellbeing, and making sure basic human needs are met, and hopefully you can exceed expectations showing your 'team-first' approach.
- ▶ In-person team gatherings are crucial for building emotional strength. Leading companies worldwide are investing on wellness and detox events for corporate teams. According to Meeting Tomorrow, here are some ideas :
 - ▶ Meditation area
 - ▶ Opportunities for exercise or movement
 - ▶ Outdoor venues
 - ▶ Mocktails & Non-Alcoholic Drink Options
 - ▶ Sleep and Rest
 - ▶ Focus On Inclusivity & Accessibility for All Attendees

We help your team meet up in an offline environment by creating a wellness event customized to your needs.
